Big First Grade Workbook has 302 pages of learning activities + Answer Key covering the first grade curriculum including foundational language and math skills, with problem-solving in order of increasing difficulty. Kids build skills in phonics & writing, reading comprehension, logic, inferences & deduction, story problem-solving, basic math, addition & subtraction, place value, telling time, early fractions & more. Tear-out pages with color-coded skills ID make great worksheets for easy sharing. Practice different skills in first grade classrooms, at home, and during travel or wait times. A Parent Guide & Activities to Share extend first grade lessons & practice promotes school success. Use as first grade materials and resources or homeschool materials and resources. Boys & girls love the playful illustrations that improve focus and motivation & the creative strategies that build and reinforce memorable first grade lessons. Watch kids progress with this workbook. Kids love color, characters, and room to play. School Zone workbooks deliver all that and so much more. Almost 40 years ago the company responded to parents need for tools to help reinforce in-school learning. Workbooks continue to be just the right combination of play and practice, making them excellent, teacher-created, parent-approved resources. Writing by hand fires up specific parts of a child's brain, improving a child's ability to not only remember what he or she learns, but to think of new ideas. Help first graders build a strong foundation and excel as they tackle new challenges! An enthusiastic parent describes Big First Grade Workbook this way: My 6-year-old worked on this workbook over the summer. It was 320 pages of worksheets so I thought it might be overwhelming for him, but he loved every minute of it! He just finished 3 days before the start of his first grade year. He is feeling confident and ready to start first grade! He's excited to get the second grade book started! This powerful 320-page workbook presents hours and hours of playful practice across the first-grade curriculum--language arts, math, science, and social studies. Stellar students begin with creative strategies that keep them focused and engaged. Colorful illustrations, cute critter friends, and easy instructions do just that. Dogs and frogs, pizzas and puppies, puffins and penguins, monkeys and math birds, and so much more, make each turn of the page a smile-producing learning adventure. The grade 1 curriculum covers foundational math and language skills, reading comprehension and overall critical thinking and problem-solving, and more. It maximizes motivation for the challenge of the first-grade curriculum, and constantly expands kids skills. A Parent Guide and Activities to Share further extend learning & skill focus listed at bottom corner of each page makes it easy to zero in on areas that need more practice. It all leads to first grade progress and ongoing success!
