Now with new, updated layout and cover, Philipp Keel's timeless journal All About Me is an amazing tool for self-reflection and the perfect gift for you and your loved ones. Is there someone special you'd like to open up to? Do you want to know yourself better? Self-discovery and self-revelation aren't easy. With simple but provocative questions, All About Me spotlights everything your loved ones would be interested to know about you but never thought--or dared--to ask. Such as: Name a friend you should not have kissed. Describe a moment when you achieved absolute happiness. Recall a compliment that made you blush. Write about your most beautiful and your most horrifying memory of your parents. Does a naked photo of you exist? The wide-ranging questions--from short yes/no's to open-ended ones that probe your psyche--are personal, direct, and addictively fun to answer. The basic specs, including blood type and annual salary, are also covered. If you've ever wished that you or your loved ones had been born with an operating manual, your wish has been granted. Filled in or left blank, All About Me is a perfect gift for everyone you care about--friends, relatives, mentors, and lovers. An ideal gift for Valentine's Day, Mother's Day, Father's Day, graduations, birthdays, showers, and weddings, this unique book gives the best present of all: the gift of you.
