

## [Free PDF File] Your Grandparents Are Zombies (Choose Your Own Adventure: Dragonlarks)

**CONTINUE ►**

You are a deep-sea explorer, like your older siblings. While your older brother and sister made international headlines unearthing the Lost City of Atlantis, you are a bit more ecologically-minded. You are certain that species exist in the deep sea that no one has found before. Scientists confirm this to be true. What secrets to the universe can you uncover?
