

# I711s [GET] You Are Worthier: A Guide to Improving Your Illness or Injury on the Road to Recovery

**CONTINUE ►**

Recovering from a severe illness or injury can be an extremely difficult process. This is especially true if you may never fully recuperate your health or physical condition. Even if this is the case, however, you are still worthy of fulfilling a life of happiness and success. Though the path to recovery may seem long and endless now, you are not alone. Let Jeanette Kildevaeld be your guide through the dark and hopeless times to reach a future where anything is possible.
