When alpha Sam Stones lover cheats on him, and runs off to marry a new alpha, he feels like maybe hell never find happiness. Hes of an age where hes finally ready to settle down and have a family, but hes picky, and cant seem to find that perfect omega. When he steps in to defend pregnant omega, Caden Bartholomew, from his abusive alpha, hes immediately drawn to Caden. But Caden is wary of anyone so willing to jump in and help a complete stranger. He accepts Sams offer of a place to stay, mostly because hes about ready to give birth, and really has no other option. But he certainly doesnt trust the alpha. In his opinion, nobody is that nice without some sort of hidden agenda. As the two get to know each other, Caden begins to slowly feel that maybe, just maybe, Sams kindness is genuine. Even Sams entire family is warm and willing to help. The more time Caden spends with Sam, the more he realizes hes actually falling for the alpha. Just as these two decide to explore their feelings, the past swoops in and tries to tear them apart. This 44,000-word book is a sweet and sexy, contemporary, non-shifter love story with mpreg and a HEA ending. Though part of the Poppy Field Mpreg Series, this standalone story does not need to be read as part of the series.
