CONTINUE ►

When Two Knotty Boys, Dan and J. D., began teaching rope bondage together in 1999, they discovered that most people learn best when they're shown ? close up, step by step, and repeatedly ? how to tie basic knots and combine them into bondage techniques. It is this learning process that they duplicate in this book. With the help of world-renowned photographer Larry Utley, they use over 750 photos and captions to explicate the soup-to-nuts techniques for turning great knots into great bondage that is safe, sensual, attractive, and effective. Readers can learn at their own pace, review whole techniques at a single glance, or even lay it flat on the table (beside their blindfolded partner) and follow along as they tie. Two Knotty Boys Showing You the Ropes appeals to those interested in improving the quality of their sex lives, not to mention aficionados of bondage and discipline/sadomasochism (BDSM), both curious newcomers and serious players alike.
