In a world whose time is running out, four mysterious swords must be reunited to save the planet. A spectacular saga full of wondrous creatures and settings.. PUBLICATION IN 4 VOLUMES - COMPLETED WORK. In a world threatened by the imminent death of its sun, young Yama lives a relatively happy and peaceful life as the daughter of the chief of the village. But everything changes the day a sword of glass falls from the sky, just as the prophecy had announced. Anyone who touches the sword is instantly turned to glass and dies. Orland, the local lord of war, comes to take possession of the unique weapon but fails to retrieve it. In the process, Yama's father is killed and her mother taken away. Yama, however, escapes and survives with only one thought: when she grows up, she will return to get the sword of glass, and avenge her parents.
