CONTINUE ►

Actor, voice actor, and comedian H. Jon Benjamin helps us all feel a little better about our own failures by sharing his own - despite his success starring on Archer and Bob's Burgers - in a hilarious, self-helpful memoir. While he's not quite a household name, most people would consider H. Jon Benjamin, the voice-actor star of Archer and Bob's Burgers (and a sentient can of mixed vegetables in 2015's Wet Hot American Summer) a comedy show business success. But he'd like to remind everyone that as great as success can be, failure is also an option. In a hilarious, self-deprecating memoir, Jon lays out some of his many failures in all areas of life, from Work ("wherein I'm unable to deliver a sizzling fajita") to Family ("wherein a trip to PF Chang's fractures a family"). Fans of his characters' signature wit and voice will rejoice in H. Jon Benjamin's comical failures - and appreciate a rare look into the life of the man behind their favorite shows.
