It's a sumptuous gift for the birder: the perennially bestselling engagement calendar with over 2 million copies sold, created, of course, by Audubon, the organization synonymous with birds. THE BIRDER'S ENGAGEMENT CALENDAR offers a thrilling sighting, up close and in full color. Here is a stunning shot of a Snowy Owl in flight and a gorgeous Blue Jay with its distinctive wing pattern. Plus trees, mountains, lakes, animals, and more birds, some familiar, some new, yet always a delight to encounter. On the right-hand side of each weekly spread is a roomy grid with plenty of space for writing in appointments, meetings, and reminders. Authoritative and engaging text accompanies the images. So many birds, and no binoculars required.
