"Reading Gundi's book gives you the 'Kick in the Pants' motivation of a Tony Robbins event". - Frank Kelso, Author **YOU = INFLUENCER!!** - Have a passion project you want to share with world? - Something amazing you always wanted to do, but don't know how to reach an audience? Marketing feels like wondering in a strange, foreign land and you feel totally overwhelmed? Then let this little book walk you through SassyZenGirl's proven 7-STEP FORMULA to go from ZERO (followers) to INFLUENCER STATUS in just a few months! "Gundi is a phenomenal marketer and writer!" - Dave Chesson of Kindlepreneur Sound crazy? Well, it isn't actually IF you know how to leverage the many (mostly free) resources available to anyone using the internet today! It's not about pumping thousands of dollars into ads or wearing yourself out on social media without getting much traction. There are a number of simple strategies that can have a tremendous effect on growing your online presence and visibility that make even a 6-month time frame perfectly doable. "Influencer" does not mean becoming world famous and making millions overnight. That would indeed be unlikely and fall under a classic get-rich-quick scheme, which this book is not! Quite the opposite! The strategies and hacks described in INFLUENCER FAST TRACK show you - in 7 simple steps - how to leverage the formidable marketing power of the internet, as well as major platforms, institutions, peers and influencers to grow quickly - while creating win-wins for everyone involved! No longer do you need to fight or worry about "competitors", but rather see others as opportunities to collaborate, leveraging each other's audiences and helping everyone grow. In the same vein, treat your customers and followers with respect and care. "The best Marketing Method ever: CARE!" - Gary Vaynerchuk Enjoy helping and providing awesome value. Find out how you can really help people, what they actually need. Build relationships and a brand that people love to identify with, instead of being salesy, sleazy and annoying. The "Goosebump" Factor! THAT is what this book will teach you. Growing a brand and following that makes a difference in the world, helps people - and - makes you good money, too, while growing your business! - Something you can be proud of and can't wait to get up to in the morning (aka STEP 1 "The Goosebump Factor"). SassyZenGirl herself, aka 10-time #1 Bestselling Author and Entrepreneur Gundi Gabrielle, will show you in typical SassyFUN fashion how to get from A to Z: The Goosebump Factor The Mucho Bling Asset The Chill Factor How to (non) pitch your Stuff Subscribers on Autopilot Passive Income Bonanza and finally how to: get yourself booked as a TV Guest Presenter, Keynote or TEDx Speaker get featured in major publications and podcasts attract your absolute Dream Clients on Autopilot if you are ready to share something AWESOME with the world... SCROLL UP and hit that BUY BUTTON and we'll see you on the inside...)
