The first and most sustained resource of its kind, *Policy & Politics in Nursing and Health Care*, 7th Edition features analysis of healthcare issues and first-person stories to help you learn how to influence policy in today's changing health care environment. Approximately 150 expert contributors present a wide range of topics in policies and politics, providing a more complete background than can be found in any other policy textbook on the market. Discussions include the latest updates on conflict management, health economics, lobbying, the use of media, and working with communities for change. With these innovative insights and strategies, you'll be prepared to play a leadership role in the four spheres in which nurses are politically active: the workplace, government, professional organizations, and the community.
