The Wisconsin Travel & Events Wall Calendar highlights stunning photography from ??The Badger State?? all year round. You'll see the beauty of the state's rural and urban landscapes along with a monthly events column listing local art fairs, sporting events, community activities and more. The calendar also features a "Number Please" directory which provides contact information to over 100 local organizations and places of interest. Daily grids offer ample room for jotting notes, appointments and reminders, along with providing moon phases and national & international holidays. This is a terrific planning guide, memento or gift for all residents of Wisconsin and for anyone who yearns to travel there.
