Make the most of your multicooker with this new collection of rigorously tested, foolproof recipes that can either be pressure-cooked or slow-cooked. We put you in the driver's seat so you can choose the timing that works for your busy life, and know you'll get perfect results every time. Praised by Wired.com and featured by Chicago Tribune, Booklist, Epicurious, Booklist, and Eat This, Not That! Multicookers such as the GoWISE USA and Instant Pot Duo are hugely popular; however, most recipes are unreliable or are designed to work in only one model of multicooker--and most often, they use only the pressure-cook setting. Enter Multicooker Perfection, a collection of foolproof recipes tested and developed to work that work in any multicooker and conform to your schedule. Make each recipe "fast" using the pressure-cook setting or let dinner cook while you're out by preparing it "slow" on the slow-cook setting. These crowd-pleasing recipes are perfectly suited for cooking at the touch of a button, from soups and stews like Easy Beef and Barley Soup and Chipotle Pork and Hominy Stew; to weeknight-friendly meals like Braised Chicken Breasts with Tomatoes and Capers, Ziti with Sausage Ragu, and Thai Braised Eggplant; to company-worthy dishes like Tamarind Braised Beef Short Ribs and Osso Buco with Sweet and Spicy Peperonata. Plus, you'll find a chapter of unexpected recipes like Boston Brown Bread, Buffalo Chicken Wings, and even a perfectly creamy Cheesecake. Make cooking easier and better with this must-have cookbook for any multicooker owner.
