Grab the third Galaxan romance between two sexy warriors and their fiery mate. Henley Rourke is a woman who loves a challenge. A while back, Gerri Wilder convinced her and two friends to make an interstellar jump to another galaxy. A thrill too hard to resist, Henley found herself on a planet filled with gorgeous shifters. But she's restless and looking for a little adventure. And then she meets Damen Iceri. Badass. Shifter. Oh, yeah, and so hot, he makes her undies disappear. She gets more than she expects when she realizes Damen isn't the only hot shifter who wants her. Gunner Lukas, alpha of the Summit Bear Clan is a pair with Damen. Gunner is also the alpha to Damen's omega. Bound by tradition and ritual, these two bears are looking for their mate, the one woman to complete their triad. And that's Henley. But he's not sure how she will handle finding out. When this triad gets together, things go from hot to explosive. They're ready to make their mating dreams come true along with all the dirty thoughts she's had since meeting them. A forever threesome? All about her? Yes, please! But there's no time to think about forever—not when they are charged with finding the source behind a series of deaths by poison and doing their best to keep Henley from becoming the next victim.
