The perfect board book for babies and toddlers to read with Mom!"I love my mommy because she gives me great big hugs."This book begins with a heartwarming scene between a human parent and child, but moves on to loving care in many animal families. "She listens when I talk," says a mewling kitten. "She tucks me in," says a joey kangaroo. Children will love reading about how baby animals spend time with their moms, and mammas everywhere will love celebrating Mother's Day--or any occasion!--with this adorable gift from their little ones.
