When seventeen-year-old Dee Guerrero wakes up in a haze, lying on the ground of a dimly lit warehouse, she realises she's about to be the next victim of the app. Knowing hardened criminals are getting a taste of their own medicine in this place is one thing, but Dee refuses to roll over and die for a heinous crime she didn't commit. Can Dee and her newly formed posse, the Death Row Breakfast Club, prove she's innocent before she ends up wrongfully murdered for the world to see? Or will The Postman's cast of executioners kill them off one by one?
