Before there was Game of Thrones, there was Beowulf... SONG OF BATTLE AND KINGS
Beowulf is one of the earliest extant poems in a modern European language, composed in England before the Norman Conquest. As a social document this great epic poem is invaluable reflecting a feudal world of heroes and monsters, blood and victory, life and death. As a work of art, it is unique. Beowulf rings with beauty, power, and artistry that have kept it alive for a thousand years. The noble simplicity of Beowulf's anonymous Anglo-Saxon singer is recaptured in this vivid translation by Burton Raffel. Translated and with an Introduction by Burton Raffel and an Afterword by Roberta Frank
