There Is a New Nanny Service In Town, And It Serves Very Sexy and Discreet Clients! Anna Clinton is an up and coming professional in New York City. Having a child is the last thing she wants. To her, career is everything. When her boss makes an inappropriate advance that she refuses, she is forced to abandon her professional dreams. All seems lost, until she receives a mysterious email from a nanny service, offering her a job. Jason Shaw is head of Silver Dragons Security, an elite group of dragon shifter mercenaries. Having lost his wife, Jason is angry and distant, but he needs someone to take care of his two children. He finds young Anna through the Nanny Shifter Service, and is caught off guard by their magnetism. When threats from his past emerge, will Jason protect Anna? Or sell her out to protect his children and the Silver Dragons Security? One thing is for sure with the Nanny Shifter Service—all is not as it seems. **This is a novella length 30,000 word, standalone older man younger woman shifter romance.
