A DAVISS NOTES BOOK!The perfect chairside reference in class, clinic, and practiceThis unique, pocket-sized guide gives your instant access to commonly used clinical practices and procedures integral to comprehensive patient care. Carry it with you wherever you go for quick reference at a moments notice. And, its write-on/wipe-off, waterproof pages let you disinfect it according to infection control standards. Its also perfect for preparing for tests and board exams. See what students are saying about the 1st EditionEvery dental hygiene student needs this chairside guideThis chairside guide is so helpful and thorough. I am in my second semester of hygiene school preparing to see patients for the first time and this manual will help me through those times of need. I highly recommend this book. I think the team that created this guide are genius and understand the challenges of this field, and truly want those who utilize this guide to be knowledgeable and successful.A. DiggsGreat Investment!!I'm starting to finish up dental hygiene school and I wish I had this little book from the beginning! It' s a great reference for clinic and for boards and I can definitely see myself using it in private practice.Michael BurnerA huge help!
