Bestselling Classic Aircraft WWII features paintings of World War II planes by artist Stan Stokes. One of Americas most renowned artists, Stan Stokes has produced hundreds of paintings documenting historical events, people, and places. His work is highly sought after by museums and collectors alike. His paintings now hang in three presidential libraries. NASA has commissioned 15 works ranging from Space Shuttles to the SR-71 Blackbird. Paintings hang in the Air Force art collection, the USAF Academy at Colorado Springs, the Pentagon, the San Diego Aerospace Museum, the National Museum of Naval Aviation in Pensacola, Florida, and the Smithsonian's National Air and Space Museum in Washington, D.C. This twelve month calendar has spacious grids with international holidays and moon phases. Each painting is accompanied by detailed information and history about the featured aircraft. There are sections at the back of the calendar for emergency contact information and birthdays/anniversaries and a full-page 3-year at-a-glance. Earth friendly, printed with soya-based inks on FSC certified paper.
