**CONTINUE ►**

Amazon Bestselling Author Mickey Miller brings you the first book of a sexy new duet. Living for a summer in a luxury penthouse should be a fantasy brought to life, right? Not when my roommate is Carter Flynn--my sexy ex--who hates my guts. When I'm in town for a once in a lifetime dance camp, my living arrangements fall through at the last second. I have no other option but to crash with my childhood family friend and ex...turned millionaire athlete. He still hasn't forgiven me for the lie I told him years ago he claims shattered his heart. But underneath it all, there are shades of the same boy I used to know, before his heart turned to stone. I can tell myself all I want that I hate him, too. But deep in my heart, I know I've never wanted anyone more in my life. When you're playing the lying game, the most dangerous lies are the lies you tell yourself. **THE LYING GAME** is Book 1 of **The Game Duet**. It is an enemies to lovers, steamy contemporary romance. Book 2, **THE END GAME**, is coming September 27th.
