**FINALLY MAKE A LIVING DOING WHAT YOU LOVE** Why is it that some artists are wildly successful, while others just barely squeak by? It may seem like an unfathomable mystery, how some are earning six figures while other, more talented artists, are struggling. Maria Brophy has dedicated 20 years of her life to researching the specific strategies that successful artists follow. After applying these strategies to her husband Drew Brophy's career, Maria grew his art sales to multiple six-figures yearly. In ART MONEY SUCCESS, Maria tells personal stories of her own business deals, successes and failures, while sharing non-conventional wisdom that will explode your art sales. With the exercises and worksheets included, you can apply the insights to your own business for immediate results. The tools inside will help you: \* Connect with your right buyers\* Increase your \$\$\$ income today\* Sell art easily and negotiate nicely\* License your art and get paid multiple times for one artwork\* Implement powerful money and business practices\* Trust your own creative intuition If you are interested in generating more money and success from your art, then this book is for you!
