Younger Woman Romance (A Man Who Knows What He
Wants Book 74)

My possessive K-9 growls at any woman that tries to chat up this cop. But for the first time ever my malamute goes mute when this older man lays eyes on a younger woman from my past. I'm her brother's best friend and she's breathtaking, and very apparently all grown up. My K-9 and I are obsessive about protecting our territory, but suddenly I'm territorial over her and obsessive about making her mine. I'm a real man who knows what he wants, but will my best friend show a possessive side of his own when he finds out for the first time that this possessive policeman is ready to propose to his sister so I can possess her forever? *Possessive K-9 Cop is an insta-everything standalone instalove romance with an HEA, no cheating, and no cliffhanger.
