If you'd like to improve your ability to learn and memorize legal terminology by as much as 100%, 200%, even 300% (or more)...using simple memory techniques that you can learn in 15-20 minutes (or less), then this may be the most important audiobook that you will ever listen to. Believe it or not, it really doesn't matter if you think you have a good memory or not. Don't worry! Frankly, if you can memorize a short email address or the name of a movie, then you can use this system to memorize legal terminology and precedents. But there's really no time to lose. Every day that you are not using this simple memorization system, you are literally stealing from yourself the joy of being able to recall an abundance of legal terminology as you easily expanded the natural abilities of your mind. **DISCLAIMER:** "We cannot guarantee the availability of this ebook on an external site."
