The number one New York Times best-selling author of *Bare Bones*, host of the marquee morning program *The Bobby Bones Show*, comedian and dedicated philanthropist delivers an inspirational and humorous collection of stories about his biggest misses in life and how he turned them into lessons and wins. Bobby Bones is the youngest inductee ever into the National Radio Hall of Fame, alongside legends Dick Clark, Larry King, and Howard Stern. As "the most powerful man in country music" (*Forbes*), he has reached the peak of his profession and achieved his childhood dreams. Each weekday morning, more than five million fans tune in to his radio show. But as Bobby reveals, a lot of what made him able to achieve his goals were mistakes, awkward moments, and embarrassing situations - lemons that he turned into lemonade through hard work and humility. In this eye-opening book, he'll include ideas and motivations for finding success even when seemingly surrounded by impossible odds or tough failures. He also includes anecdotes from some of his famous friends who open up about their own missteps. Bobby's mantra is: Fight. Grind. Repeat. A man who refuses to give up, he sees failure as something to learn from - and the recollections in this funny, smart book, full of Bobby's brand of self-effacing humor, show how he's become such a beloved goofball. **DISCLAIMER:** "We cannot guarantee the availability of this ebook on an external site."
