Enter the world of The Witcher by Andrzej Sapkowski, New York Times best-selling author and winner of the world fantasy award for lifetime achievement. Geralt of Rivia is a Witcher, one of the few capable of hunting the monsters that prey on humanity. A mutant who is tasked with killing unnatural beings. He uses magical signs, potions, and the pride of every Witcher - two swords, steel, and silver. But a contract has gone wrong, and Geralt finds himself without his signature weapons. Now he needs them back, because sorcerers are scheming, and across the world clouds are gathering. The season of storms is coming... Translated from original Polish by David French.
