

## 2HWVx [GET] Management of Temporomandibular Disorders and Occlusion, 7e

**CONTINUE ►**

Covering both new and proven techniques in this rapidly changing field, this classic text helps you provide solutions to many common occlusal and TMD problems. Clear descriptions and a new full-color design promote a complete understanding of normal, abnormal, and dysfunctional occlusal relationships and masticatory function and dysfunction. With its conservative, cost-effective approach, this book shows you how to achieve treatment goals while keeping your patients' best interests in mind.
