CONTINUE ►

Sport Law: A Managerial Approach, third edition, merges law and sport management in a way that is accessible and straightforward. Its organization continues to revolve around management functions rather than legal theory. Concise explanations, coupled with relevant industry examples and cases, give readers just enough legal doctrine to understand the important concepts that apply to each area. This book will help prepare students as they get ready to assume a broad range of responsibilities in sport, education, or recreation. Whether readers work as coaches or teachers; administer professional programs; manage fitness/health clubs; or assume roles in a high school, college, Olympic, or professional sport organization, legal concerns will inevitably be woven into their managerial concerns. This book provides knowledge of the law that helps create a competitive advantage and build a more efficient and successful operation that better serves the needs of its constituents. Managerial context tables. Case opinions, focus cases, and hypothetical cases. Competitive advantage strategies. Discussion questions, learning activities, and case studies. Annotated websites.
