CONTINUE ►

Love at First Fight...3 sizzling Enemies to Lovers Romances you won't want to miss!His TakeoverShe thought she could resist me.Poppy is gorgeous, curvy and unique.But she's no match for someone like me.Cutthroat businessman and alpha boss.I want her company.And I will have it, and her, by any means necessary.Sinful TakeoverWe're both after the same thing. Dominance.I'm on a mission to expand my empire.But she stands in my way.My best friend's twin sister.A woman wholly unimpressed by me.And determined to beat me at what I do best.Not going to happen, I always win.But her fiery temper and sassy attitude leaves me enthralled.She's not even aware of how beautiful she is.It just makes me want her more.But no matter how much I crave her gorgeous body,I must remember, she's the enemy.Naughty TakeoverShe hates my guts.But I'd wanted her for too long to pass up all this time together. My brother's wedding gave me the perfect excuse to get up close and personal with the sassy redhead.I worked my magic, charming her and playing her body like it was my favorite instrument.Except now I can't walk away.I'm in too deep.And she wants nothing to do with me anymore.Too bad for her, I never give up.The books in the Takeover Series are all standalone romances with no cliff hangers and satisfying happily ever afters.
