A mission gone wrong. Innocent lives have been lost. Escaping wrongful imprisonment wasn't something Connor had in mind, but being put into stasis aboard Earth's first interstellar colony ship was something he couldn't have prepared for. For 300,000 colonists, the new colony brings the promise of a fresh start...a second chance. Connor might be the wrong man for the colony, but he's the right man to see that it survives what's coming. A new world with new challenges, but the mission has changed. If you loved Old Man's War and Ender's Game, you'll love Genesis from First Colony, a new military science fiction series.
