

rINbG [GET] Lost Kingdom: Hawaii's Last Queen, the Sugar Kings, and America's First Imperial Venture

CONTINUE ►

Lost Kingdom "Only one American state was formally a sovereign monarchy. In this compelling narrative, the award-winning journalist Julia Flynn Siler chronicles how this Pacific kingdom, creation of a proud Polynesian people, was encountered, annexed, and absorbed." --Kevin Starr, historian, University of Southern California Around 200 A.D., intrepid Polynesians paddled thousands of miles across the Pacific a Full description
