There may be a few of you that would still like to stay hopelessly optimistic and disregard the message of this book- and that's ok. However, in this summarized version there is enough information for you to make the right decisions. Life will always knock us down- this has been mentioned several times in the book, but staying down is always our choice. 'The subtle art of not giving a f*ck' makes that point vividly clear. Many examples are provided in the book and they are the testament to the authenticity of the statement made by the author. Mark has talked about his real-life experiences and this goes to show how personal this book is for him. All the points, mentioned in the book, needs careful contemplation. Surely, you'll the benefits they bring in your life. Mark Manson has also talked about the traits in our personality that shapes the fate of our lives in the long run. There have been mentions of both good and bad traits. You can always try to have those good traits and change your life for the better. Some of the points may look as being a bit too negative! But in reality, these are essential to make us realize our situation. The overall message of this book is very simple-yet, very profound. It tells us that society has carved a path for your lives that is often bad for us; it talks about how happiness can be attained at any time. One of the key factors that Marks talk about is how we need to use our motivation. Our motivation must come from deep within rather than from some self-help books. The motivation from outside sources normally never lasts! Lastly, I would like to mention that this book doesn't contain spells or magic that will transform life instantly. It is- and it will always be- up to you that how you implement the message in your life and makes changes for the better.
