CONTINUE ►

Spanning four seasons, 10 countries, three teaching jobs, and countless buses, Patagonian Road chronicles Kate McCaill's solo journey from Guatemala to Argentina. In her struggles with language, romance, culture, service, and homesickness, she personifies a growing culture of women for whom travel is not a path to love but to meaningful work, rare inspiration, and profound self-discovery. Following Paul Theroux's route from his 1979 travelogue, McCaill transports the reader from a classroom in a Quito barrio to a dingy room in an El Salvadorian brothel, and from the neighborhoods of Buenos Aires to the heights of the Peruvian Andes. A testament to courage, solitude, and the rewards of taking risks, Patagonian Road proves that discovery, clarity, and simplicity remain possible in the 21st century, and that travel holds an enduring capacity to transform.
