An Amazon Top 100 Bestseller! Two dominants. A broken submissive. One shared love. When Colin Everett and Anthony Graves suspect the beautiful and shy Sydney Burke is in need of help and discover she's interested in their alternative lifestyle, they take her under their wings and introduce her to a world she never knew. Through careful instruction, they open Sydney's eyes to what love and friendship mean while helping her overcome the wounds of her past. Three hearts become one as scars and tortured pasts are exposed, but can the unconventional love between them survive the threats both from within and from the outside? *Fragile*, *Belonging*, and *Us* are the first three books in the Everett Gaming Series and introduce you to the world of lust, love, and acceptance in the unique relationship between best friends and the woman who owns their hearts.
