CONTINUE ►

The idea of transitioning from babysitting to caring for children professionally as a home daycare provider can be intimidating. Before you open your home for family child care or as an in-home day care school, you will want to get some insight and encouragement to save you from potential headaches or costly mistakes. Daycare Days for Providers is designed to answer questions caregivers have often after they have gotten themselves stuck in a problem. Miko offers mentoring advice from knowledge she has gained through experience or from watching her colleagues. Get tips on how to work with families, anticipate obstacles, and set your goals so that you can provide a well-rounded quality family child care program.
