CONTINUE ►

Top Ten Rules for Paralegals provides an upbeat approach to understanding professional responsibility in the field of law. Using a straightforward style, it discusses common ethical issues in the real world of law and asks students to reflect on their own personal beliefs. With a focus on research, it encourages students to find the Rules of Professional Conduct for their own state and think critically about ethical issues with those rules in mind. This edition also includes new research assignments that reinforce how to find answers to ethical questions and deal with issues on the job.
