**CONTINUE ►**

People are drowning in too much information in this digital age. They often feel trapped and paralyzed, tolerating an economy that's optimized to keep them distracted while letting "the System" control their lives. But if you want to succeed today, you need to stop choking and take action. In *Reset*, William Treseder shares the life-altering lessons he learned during a remarkable career that took him from the battlefields of Iraq and Afghanistan to the boardrooms of Silicon Valley. His step-by-step guide to personal transformation offers a powerful, six-part process for improving your life through determined action. It helps you create habits that lead to breakthroughs and innovations, powering you past your choke-points to close the gap between knowing what needs to be done and doing it. By harnessing your own unique talents, you can accomplish more than you ever dreamed. You can move from passive consumption to active contribution. It's time to *Reset*, and to thrive!
