Experience a different cartoon from Liz Climo on every page of this day-to-day calendar. In the Little World of Liz Climo, penguins drink champagne (though they struggle to open the bottle, since they don't have thumbs), bears love pizza (preferably with jellybeans), and crabs are the ultimate St.Pat's fashion police (gleefully pinching anyone not wearing green). Here, animals of all kinds have the same joys, cares, and humorous exchanges as people. What also remains consistent regardless of species is the delight these little cartoons bring.
