Laugh out loud funny and sexy enemies-to-lovers office romance. Who says turning 30 has to be a bad thing? Tinley Scott is in a rut. Or so her best friend and sister tell her. She can't fall in love sitting on her couch watching Friends and drinking a bottle of wine. Their answer? Speed dating in the dark. Dating in today's world is hard enough as it is. Why go adding a new challenge to the mix? By date number three, she's ready to throw in the towel and return to her safe haven. Until her final date sets her panties ablaze. His deep voice, his practiced words...everything about him lights Tinley's fire. Too quickly their 15-minute date is over and done with. Or so she thought. Their easy banter continues through a slew of text messages until the inevitable happens. Meeting face to face. Falling in love wasn't on Tinley's radar, but then she wasn't counting on mystery date number four. Dating in the Dark is the first book in the enemies to lovers Dating Trilogy. Books 1 & 2 end in cliffhangers. If you love snarky heroines and panty melting heroes, then you'll love this sexy rom-com trilogy.
