

## [GET] Before I Go: The Essential Guide to Creating a Good End of Life Plan

**CONTINUE ►**

A compassionate, practical guide to end-of-life matters, empowering us to clarify and share our wishes and continue to live life to the fullest. Many people say "I wish I had known what they wanted" when their loved one has died. Too often, a person's wishes for end-of-life care, and for after they have gone, have not been recorded. With this valuable guide, you can now begin to do this for yourself, so your relatives will be able to honor your wishes more easily, saving them unnecessary stress and upset at a potentially intense time. Before I Go addresses the emotional, spiritual, and practical aspects of end-of-life planning to help you make well-informed decisions about your end-of-life care and prepare well for your death. Jane Duncan Rogers guides you with equanimity, care, and humor through subjects such as how to have a conversation about dying, the impact of grief on relatives responsible for estate matters, DIY funerals and what that entails. She states clearly what you need to have in place to ensure the best end of life possible, helps you identify your values and beliefs in this area, and demonstrates which actions you then need to take, and when. With a full resource pack of essential information available to you, including guiding questions, exercises, and recording tools, as well as downloadable worksheets and supportive online courses, decision-making will be much easier and you will find relief and peace of mind knowing you have taken care of outstanding matters. You will also be giving a great gift to your loved ones. When they have this information in advance, you spare them many difficult decisions and administrative hassle at a time when they will be grieving and not in a fit state to cope. It can bring great comfort to those left behind to know they are indeed carrying out your wishes. It also provides an opportunity for you to record your achievements and history, giving them a legacy they would otherwise not have.
