

[Free PDF File] Cardinals 2019 Wall Calendar

CONTINUE ►

Often as not, our sightings of cardinals are but a brief flash of crimson. This calendar, however, features 12 bright, detailed close-ups of these beautiful birds. The large format includes large daily grids with ample room for jotting your appointments, reminders and birthdays. Also included are six bonus months of July through December 2018, moon phases and U.S. and international holidays. DISCLAIMER: "We cannot guarantee the availability of this ebook on an external site."
