Blake Eriksson has it all. Money, power, sex appeal, his own new BDSM club - Club Irons, and control. Yeah. He has control in spades. But not in a bad way. He's a nurturer, a protector, a mentor – all good qualities for a Daddy Dom. Kelsie has natural submissive tendencies with a fun lean toward bratty. She's not disrespectful, but she likes to be a bit of a challenge. She likes to be...rowdy. But will her disturbed past prove to be more of a challenge to Blake than her rowdy nature is?
