Money. Power. Respect. All the things twenty-six-year-old self-made mogul Domino Black possesses, along with good looks and a huge dick to complement. As a young man who's had to suffer more heartache than a little bit, the last thing he's looking for is love. All Domino wants from women is what they're good for – sex. Life has taught him that relationships aren't worth the time or energy, and that in the words of Chris Brown, "these hoes ain't loyal." That is, until crossing paths with twenty-one-year-old Bailee Rodgers, who catches his eye from their first encounter. Will this bad boy turn good for the one girl who's willing to show him that not all women are the same? Bailee Rodgers feels that life has dealt her some bad hands, starting with the death of a loved one. Coping with the loss she suffered led her to the arms of Tyler, who she soon realizes is not the man she wants or needs in her life. Bailee's desire is to focus on healing her on broken heart, but when she meets the infamous Domino Black, she wonders if he could be the one to take her pain away. Bailee soon finds that Domino is two notches shy of crazy, but Domino may have met his match in her, because Bailee immediately proves to Domino that she's not weak and insecure like the women he's used to. Making good love to this bad boy is fun and exciting, but with lies, secrets, and drama lurking in the background, Bailee often wonders if it's worth it...In this crazy, hood, love story, will Columbia's biggest player be willing to change in order to win the heart of the sweet, innocent, broken-hearted girl, or will he add to her hurt and pain by being exactly who everybody makes him out to be?
