The David Wolf Series Books 1-4 by Amazon #1 bestselling author Jeff Carson have brought readers across the globe and back again to the high country of Colorado, leaving them breathless and desperate for more. If you love mysteries with action, suspense, and a touch of humor and romance, then the David Wolf Series is for you. The David Wolf Series has been downloaded over 700,000 times! Now, for a limited time, you can purchase the first four books of the David Wolf Mystery Thriller Series for over 40% off! **FOREIGN DECEIT** Sergeant David Wolf of the Sluice County SD headquartered in the ski resort town of Rocky Points, Colorado, receives word that his brother has committed suicide in the Alps of Italy. Devastation and resentment over his only sibling's selfish act quickly gives way to a nagging suspicion that he isn't getting the whole truth. Conviction alone is enough to pull Wolf from pressing events in his Colorado Rockies home town to the entirely foreign land of Northern Italy, and into a deadlier situation than he could have imagined. With the help of a beautiful officer of the Carabinieri, Wolf must piece together the mystery of his brother's last fateful night without ruffling too many feathers, or paying the ultimate price. **THE SILVERSMITH** Deputy Sergeant David Wolf has been waiting sixteen years for today's opportunity to follow in the footsteps of his late father and become Sheriff of the Sluice County SD, headquartered in the small ski resort town of Rocky Points, Colorado. What he's offered, however, isn't quite what he's expecting. And for Wolf, refusing turns out to be harder, and much deadlier, than he could have anticipated. When a rich and powerful enemy corrupts the SCSD from within, Wolf becomes hunted by his own department, along with a special forces killing machine whose psychotic lust for blood is never denied. In this action-packed, suspense filled adventure -- the second installment in the David Wolf series -- Wolf must draw on all his skills in the high Rocky Mountain forest and solve a disturbing mystery involving an item from his past if he wants to live to see another day. **ALIVE AND KILLING** Just for a day, Colorado Sheriff David Wolf trades slogging through murky meltwaters and even murkier small-town politics for an overnight camping trip in the wilderness with his son. But when a man with fresh burns turns up on their trail, falling from the heavy load in his backpack and running wild from something, Wolf suspects his father-son camping trip may have just taken a turn for the worse. Unfortunately his instincts are spot on, and Wolf is forced into action with the last person he wants by his side in a deadly battle -- his only son. In this stomach-dropping, action and suspense packed third installment of the David Wolf Mystery Thriller series, Wolf partners with a beautiful FBI agent to bust an inter-continental conspiracy threatening anyone who has the bad enough luck to stumble on it. **DEADLY CONDITIONS** The small town of Rocky Points, Colorado has just been hit with an epic snowstorm. When the snow removal process uncovers a dead body -- a young woman brutally murdered and clearly marked with some sort of cryptic message -- Sheriff David Wolf and his deputies are left scrambling to find a killer before he strikes again. In this fourth installment of the suspense-filled David Wolf Mystery Thriller Series, Wolf's investigation leads him to corruption involving the highest authorities and a deadly foe, forcing him to gamble life, limb, and his entire career to dig a path to justice. ...From 1st deadly sin through Sandford's latest I love this genre and Carson's David Wolf is a new friend.
