A brand-new book of fashion secrets by New York Times best-selling author, model, and Parisienne extraordinaire, Ines de la Fressange. Ines de la Fressange's personal style is chic yet relaxed in every situation. While a navy-and-white- striped nautical top with slim, cropped jeans and flats is a classic French look, it's harder to pinpoint how Parisians unfailingly blend elegance and allure with such ease. In this sequel to her best seller Parisian Chic, the world's favorite style icon demonstrates how to achieve her quintessentially Parisian look throughout the year. Her style secrets start with the building blocks of wardrobe staples—an LBD that can be dressed up or down, timeless riding boots you'll wear for a lifetime, or the perfect pair of jeans—which she combines with panache to suit every situation, adding seasonal items like costume bangles, a top in this season's on-trend color, or the right shade of lip color.
