Three stories, three heroines, many heroes. Many sexy, shirtless, dirty-talking heroes. Because you can never get enough reverse harem tales...HEAs guaranteed!ALL FOR ONECan you get a second chance -- with three men at once?We're all grown up, and we're finally in one place again. Rex, Shaun and Taylor. My three best friends from high school.Gorgeous, successful, sexy as hell. They all came back into my life when I needed them most. I can't believe I'm having these fantasies about all of them. About having all of them at once.Then one warm night, everything explodes. They're willing to indulge my fantasies... And give me a happy-ever-after.Together.POWER PLAYFour hot hockey players. One woman who spends her life behind a computer screen. After watching her high school crush and his friends on the ice, things definitely heat up in this reverse harem romance...When I drunkenly message my old high school crush one night, I never imagined he'd respond. It's been so many years and I thought he'd forgotten all about me. He hasn't — not even close. And when we meet in person all these years later, he's a handsome pro hockey player . . . with three equally sexy friends.They could spend every night with a different woman, but they want me. I've been so focused on my job and my computer that when this complicated, real-world dilemma comes up, I'm not sure what to do.Am I supposed to choose just one?CLAIMING HER COWBOYSThree cowboys are used to working together on their Montana ranch. Now they're working to fulfill my every desire!!I'm

sent to Montana by my New York magazine to write a travel story. Staying at a ranch, riding horses, gazing at the vast night sky — it will be like a vacation. And the bonus: the three ranch owners are all hot, muscled and 100 percent cowboy. Total eye candy. And they all want me. Can this city girl handle three rough cowboys? And what if they want me to be their forever cowgirl?
