New in tradepaper: New York Times best-selling author Mike Dooley, one of today's most celebrated New Thought leaders, holds a conversation with a collective of intelligent beings--channeled by Tracy Farquhar--to shed light on a new era of expanded awareness and limitless possibilities. How are we doing as a civilization? Why are societies so deeply divided? What happened to the many advanced cultures that preceded ours? Are there sentient beings visiting us from other planets, and if so, why haven't they made themselves known? Is there a God like the one we've been taught to believe in? And how far might spirituality take us, or does science hold the key to progress? We all ask questions like these not even expecting answers--but what if answers existed? Would we recognize the truth once uncovered? Enter Frank: a collective of eight beings from a distant planet who know what we're going through because they've been there too. Their civilization, once beset by many of the same challenges we face, has now advanced to a point where they can offer an informed and compassionate perspective on our trials, tribulations, and triumphs here on Earth. Speaking to Mike Dooley, one of today's most celebrated New Thought leaders, with medium Tracy Farquhar serving as their channel, Frank answers questions about: Life on Brahoshka, from culture, technology, and

education to leisure pursuits, food supply, relationships...Pressing earthly matters, from our political and social realities to the truth behind the Loch Ness Monster The power of imagination, meditation, concentrated thought, divination, and prayerThe truth concerning angels, other dimensions, and what we can do to make a better world
