Make bird watching in Ohio even more enjoyable! With Stan Tekielas famous field guide, bird identification is simple and informative. There's no need to look through dozens of photos of birds that don't live in Ohio. This book features 111 species of Ohio birds, organized by color for ease of use. Do you see a yellow bird and don't know what it is? Go to the yellow section to find out. Fact-filled information, a compare feature, range maps, and detailed photographs help to ensure that you positively identify the birds that you see.
