Discover the secrets of whiskey's aromas and flavors, the stories behind great distilleries, and expert tasting notes in this updated edition originated by one of the most highly respected commentators in the whiskey world, Michael Jackson. From grain to glass, Whiskey tells you everything and anything you'll ever want to know about whiskey, from storing and serving whiskey, to whiskey cocktails, to pairing whiskey with food. In addition to a refreshed design, this updated edition includes the recent names in whiskey today, a new section devoted to American craft distilleries, and the addition of new distilleries from across Europe, Africa, Asia, and Australia. This beautiful coffee table book makes a high-quality gift or self purchase.
