C'Yani finally met the man of her dreams. He came into her life, turned her world upside down and showed her what real love is. Nothing could bring her down, except the crazy ex who has been a problem since the very beginning. Fortunately for her, Meek has done everything in his power to keep Kim away from C'Yani, but when his ex does the unthinkable to his father, he has no idea of the danger lurking in the shadows. Meek can't seem to catch a break. The video his ex showed him of C'Yani left him devastated and sent him somewhere he least expected, which lands him in more trouble. When the smoke clears, he regrets everything and tries to win the love of his life back. Teri and Shakim's relationship is on the rocks, thanks to her best friend who has tried any and everything to destroy it. She does something to Teri that finally opens her eyes to the type of person Jasmine is. In the midst of the drama, secrets come out that will not only open up old wounds for Jasmine but cause the very same people to find her. With Kim still out there, time is of the essence when she finally tracks C'Yani down. Will Meek get there in time to save her, or is Kim going to get what she really wants; which is Meek and the family she dreamed of with him?
